

## Postal Rate Commission

## § 3001.69a

respect to the temporary implementation of changes pursuant to section 3641 of the Act.

[45 FR 83227, Dec. 18, 1980]

### **§ 3001.68 Text of the Domestic Mail Classification Schedule.**

The Domestic Mail Classification Schedule established in accordance with subchapter II of chapter 36 of title 39 of the United States Code appears (with blank rate schedules) as appendix A to this subpart.

[50 FR 28144, July 10, 1985]

### **§ 3001.69 Expedited minor classification cases—applicability.**

(a) This section and §§ 3001.69a through 3001.69c apply in cases where the Postal Service requests a recommended decision pursuant to section 3623 and seeks expedited review on the ground that the requested change in mail classification is minor in character. The requirements and procedures specified in these sections apply exclusively to the Commission's consideration of requested mail classification changes which the Postal Service denominates as, and the Commission finds to be, minor in character. A requested classification change may be considered to be minor in character if it:

(1) Would not involve a change in any existing rate or fee;

(2) Would not impose any restriction in addition to pre-existing conditions of eligibility for the entry of mail in an existing subclass or category of service, or for an existing rate element or work sharing discount; and

(3) Would not significantly increase or decrease the estimated institutional cost contribution of the affected subclass or category of service.

(b) This section and §§ 3001.69a through 3001.69c are effective November 28, 2001 through November 28, 2006.

[66 FR 54440, Oct. 29, 2001]

### **§ 3001.69a Expedited minor classification cases—filing of formal request and prepared direct evidence.**

(a) Whenever the Postal Service determines to request that the Commission submit a decision recommending a mail classification change, and to seek

expedited review on the ground that the requested change is minor in character, it shall file a request for a change in mail classification pursuant to section 3623 that comports with the requirements of this section and of subpart C of this part. Each such formal request shall include the following particular information:

(1) A description of the proposed classification change or changes, including proposed changes in the text of the Domestic Mail Classification Schedule and any pertinent rate schedules;

(2) A thorough explanation of the grounds on which the Postal Service submits that the requested change in mail classification is minor in character; and

(3) An estimate, prepared in the greatest level of detail practicable, of the overall impact of the requested change in mail classification on postal costs and revenues, mail users, and competitors of the Postal Service.

(b) If the Postal Service believes that data required to be filed under § 3001.64 are unavailable, it shall explain their unavailability, as required by § 3001.64(a)(2)(i), (ii), and (iv). If the Postal Service believes that any of the data or other information required to be filed under § 3001.64 should not be required in light of the minor character of the requested change in mail classification, it shall move for a waiver of that requirement, stating with particularity the reasons why the character of the request and its circumstances justify a waiver of the requirement. A satisfactory explanation of the unavailability of information required under § 3001.64, or of why it should not be required to support a particular request, will be grounds for excluding from the proceeding a contention that the absence of the information should form a basis for rejection of the request, unless the party desiring to make such contention

(1) Demonstrates that, having regard to all the facts and circumstances of the case, it was clearly unreasonable for the Postal Service to propose the change in question without having first secured the information and submitted it in accordance with § 3001.64; or

### § 3001.69b

### 39 CFR Ch. III (7–1–05 Edition)

(2) Demonstrates other compelling and exceptional circumstances requiring that the absence of the information in question be treated as bearing on the merits of the proposal.

[66 FR 54440, Oct. 29, 2001]

#### **§ 3001.69b Expedited minor classification cases—expedition of procedural schedule.**

(a) The purpose of this section is to provide a schedule for expediting proceedings in which the Postal Service requests that the Commission recommend a change in mail classification and expedite consideration of that request on the ground that the change is minor in character.

(b) Persons who are interested in participating in proceedings to consider Postal Service requests for minor changes in mail classification may intervene pursuant to § 3001.20. Parties may withdraw from a particular case by filing a notice with the Secretary of the Commission.

(c) When the Postal Service files a request under the provisions of §§ 3001.69 through 3001.69c, it shall comply with the standard Filing Online procedures of §§ 3001.9 through 3001.12.

(d) When the Postal Service files a request under the provisions of §§ 3001.69 through 3001.69c, it shall on that same day file a notice that briefly describes its proposal. This notice shall indicate on its first page that it is a notice of a request for a minor change in mail classification to be considered under §§ 3001.69 through 3001.69c, and identify the last day for filing a notice of intervention with the Commission.

(e) Within 5 days after receipt of a Postal Service request invoking the operation of §§ 3001.69 through 3001.69c, the Commission shall issue a notice of proceeding and provide for intervention by interested parties pursuant to § 3001.20. The notice of proceeding shall state that the Postal Service has designated the mail classification change it requests a minor change, and has requested expedited consideration pursuant to §§ 3001.69 through 3001.69c. The notice shall further state the grounds on which the Postal Service submits that the requested change in mail classification is minor in character, and shall afford all interested

parties 26 days after filing of the Postal Service's request within which to intervene, submit responses to the Postal Service's request for consideration of its proposed mail classification change under the terms of §§ 3001.69 through 3001.69c, and request a hearing.

(f) Within 28 days after publication of the notice of proceeding pursuant to subsection (e), the Commission shall decide whether to consider the request of the Postal Service as a minor classification change request under §§ 3001.69 through 3001.69c, and shall issue an order in the proceeding incorporating that ruling. The Commission shall order a request to be considered under §§ 3001.69 through 3001.69c if it finds that:

(1) The requested classification change is minor in character, and

(2) The effects of the requested change are likely to be appropriately limited in scope and overall impact.

(g) If the Commission determines that the request of the Postal Service is not appropriate for consideration as a minor classification change request, no further procedures under §§ 3001.69 through 3001.69c shall be ordered, and the request will be considered in accordance with other appropriate provisions of Subpart C of this part.

(h) If the Commission determines that the Postal Service request is appropriate for consideration under §§ 3001.69 through 3001.69c, those respondents who request a hearing shall be directed to state with specificity within 14 days after publication of the notice the issues of material fact that require a hearing for resolution. Respondents shall also identify the fact or facts set forth in the Postal Service's filing that the party disputes, and when possible, what the party believes to be the true fact or facts and the evidence it intends to provide in support of its position.

(i) The Commission will hold hearings on a Postal Service request which is considered under §§ 3001.69 through 3001.69c when it determines that there are genuine issues of material fact to be resolved, and that a hearing is needed to resolve those issues. Hearings on the Postal Service request will commence within 21 days after issuance of
